Breaking a Generational Dedication

(Updated November 14, 2017)

In generational Satanist families, members of future generations are frequently sold, bargained, or dedicated to Satan. Survivors coming from this kind of heritage are advised to go through the renunciation processes for all three of these possibilities. They are all available on our website, www.rcm-usa.org:

- Breaking a Generational Bargain/Barter
- Breaking a Generational Dedication
- Restoring a Stolen Birthright

To break a generational dedication:

1. Ask the person if he is willing to stand in the gap on behalf of his generational lines on his mother's and father's sides to acknowledge, renounce, and to confess on their behalf the iniquity of dedicating future lives to Lucifer, Satan, or any other ungodly being of darkness as well as the iniquity of placing a seal of darkness over such lives.

Ask the person if he is willing to forgive his ancestors for these acts that have affected his life by putting the responsibility for bringing judgment and justice in God's hands.

Ask the person if he is willing to renounce and repent on behalf of every part of himself if he has ever entering into these iniquities himself.

2. On the basis of his testimony and the blood of the Lamb, ask the Most High God to put the blood of the Lord Jesus Christ between these grievous iniquities in his generational lines and himself and his generational line going forward.

Ask God to place all curses that came into his life because of these generational iniquities under the blood of the Lord Jesus Christ and to remove every evil being from the lowest demonic level to the highest cosmic level that gained access to his life because of these generational iniquities and their curses. Ask God to declare judgment on them, to dispatch them to the destination of His choice, to fill all evacuated places with His true Holy Spirit, and to close and to seal with the blood of the Lord Jesus Christ all portals and orifices they used for access to him.

Ask God to allow generational blessings that were blocked by these generational curses to now flow freely into his life and his generational line going forward.

3. Ask the person (or his Primary Presenter or Original Self, if he has DID) if he wants to accept or reject any generational dedication of himself or his future generations to Lucifer, Satan, or any other ungodly entity.
4. Ask the person if he accepts or rejects any generational seal of darkness put over his life from the time of his creation.
5. Ask if he fully accepts the destiny that God designed and placed within him when He created him.

6. Appeal to the Father that this person had no choice in the matter of this dedication when it was established. Request that his free will decision spoken at this time be honored and that any generational dedication of his life and of future generations to Lucifer, Satan, or any other ungodly being be nullified by the blood of the Lord Jesus Christ as well as the gain that was achieved for the ancestor through the dedication.
7. Ask God in the name of the Lord Jesus Christ to remove any generational seal of darkness put on the person's life.
8. Ask God in the name of the Lord Jesus Christ to declare through the power and authority of His shed blood that every evil or ungodly entity, power, or force of darkness as well as any Nephilim, Raphaim, animal, elemental, or familial spirits that gained access to any part of his being at any point in his life because of this generational dedication and/or seal be permanently removed from him and sent to the destination of His choosing.
Ask God to fill all evacuated places with His true Holy Spirit, to close all portals and orifices used by these entities to access the person's body, soul, or spirit, and to seal them with the blood of the Lord Jesus Christ.
9. Ask the person if he rejects all familial spirits¹ assigned to superintend the generational dedication of his life and future generations to any evil being.
10. Ask if he desires the Most High God to break any triads formed between himself, the ancestor making the original dedication, and the spiritual being to whom the dedication was made.
11. Ask God to break these triads and to dispatch the entities involved to the places of His choosing.
12. Have the person declare his/her desire to break all ungodly relationship bonds with:
 - a. All the people and entities who were involved in making the dedication;
 - b. All sacrifices made and all babies conceived in rituals to empower the dedication;
 - c. Any familial spirits assigned to oversee the dedication.
13. Ask God to remove any demonic or other ungodly entities, powers, forces, energies, lights, life forces, manipulated life forms or structures, robotic or mechanical creatures and to disconnect any cosmic beings or fallen sons of God that gained access to _____ through these ungodly bonds.
14. Ask God to remove any part of their souls, spirits, or life forces that intermingled with _____'s and to return to him/her, cleansed by the blood of Jesus Christ, any part of his/her soul or spirit that intermingled with theirs, and when these exchanges are complete, to sever the spiritual conduits between them, close them, and seal them with the blood of the Lord Jesus Christ.
15. Ask God to release from captivity, to cleanse with the blood of Jesus Christ, and to return to a safe place in his body all dissociated parts of the person that were taken into captivity in spiritual dimensions, vortexes, or black holes because of this dedication, which is now broken.
16. When they have been returned, ask God to close the entrances to the dimensions in which they were held captive.
17. Ask the person if he desires God to nullify all curses set to be released upon him for breaking this dedication ritual.
18. Ask God in the name of the Lord Jesus Christ and through the power of His blood to nullify these curses.
19. Ask God to seal the work that was done and to proclaim in His heavenly court that there is to be no retribution or retaliation whatsoever because of the actions taken.

¹ In the occult world individuals can make covenants with death so that they do not have to go to their final resting place immediately upon death but can live on in the spiritual realm (See Isa. 28:15).
