

Prayer of Restoration and Regeneration

Aug 14, 2006

I repent and renounce for myself and for all those in my family generational line and also as a current member of the body of Christ

...For those that cursed or crushed the children of God that were weaker, injured, or immature. I bless them and pray that they will come into the full knowledge of Christ.

...For resisting the Kingdom of the Lord, driving out the priests of the Lord, the sons of Aaron, and the Levites and repent of making our own people priests as other lands do.

...For removing the Ark of the Covenant from its rightful place, subjecting it to defilement and birthing the name Ichabod, "The Glory has departed."

...For those who stole the manna and Aaron's rod out of the Ark of God and thus cursing our provision and our authority.

...For giving the enemy legal access to the Ark and its contents and causing the defilement of the ark.

... For all my sins against the sanctuary, the sin of abomination that leads to desolation.

...For defiling my body as the Temple of the Holy Spirit.

...For Ungodly worship and for despising and disdainning Godly worship.

...For attempting to connect God's worship with ungodly worship.

...For worshipping of heavenly bodies and any forms of ungodly light.

...For any generational worship of any counterfeit deity that established itself against the true priestly order of Melchizedek.

...For profaning the covenant of our fathers by breaking faith with one another.

...For ungodly sacrifices and sexual perversion that defiled the holy places of the Lord.

...For all unholy alliances that mingle the seed of God with the seed of Satan.

...For Cooperating with the perversion of our DNA and all genetic and spiritual components of the DNA including the cellular and sub-cellular level.

...For believing that I or my ancestors have the right to create life, alter life, or destroy life.

...For the sin of passivity and not standing or speaking out against the sin of trying to create life, manipulate life, or destroy life.

...For sacrificing our children and unborn children on the fires of Molech and all shedding of innocent blood.

...For exchanging Your true divine light for the counterfeit light of Satan.

...For my self and my ancestors for not being in our position or sphere of influence as a watchman over the creation of God and therefore relinquishing my position of stewardship of the creation and not subduing it.

...For speaking against the Most High, oppressing His saints and trying to change the set times and the laws.

...For any of my ancestors who participated in the desecration of the temple or the Godly objects which were removed from the temple and used in ungodly worship, ungodly sacrifices

I ask that you would cancel all curses that have come against my family line due to the above behaviors, including placing of all sorrows and pain upon any one or more in each generation of the family line.

I ask that you would break, shatter, cut off, dissolve and destroy all agreements, covenants, promises, contracts, oaths, vows pledges, ceremonies, sacrifices and rituals entered into by my fore fathers or any aspect of my own humanity with Evil Cosmic Beings.

I ask that you would break, shatter, cut off, dissolve, destroy, and remove all curses and their consequences that have come down the generational line to me.

I ask you to break, shatter, cut off, dissolve, destroy and remove all generational templates of evil placed on each generation.

I ask you to break, shatter, cut off, dissolve, destroy and remove all labels put on my spirit, soul or body that would invert, deface and/or defile the image of God that you placed within me.

I ask you to release me to my true identity and destiny in accordance with your plan for my life.

I ask you to remove all generational evil passed down to me from temple prostitution in Israel or among the Gentile nations (Goyim), and for any babies used and abused and/or sacrificed during sexual orgies in worship of any cosmic level being like Molech.

I repent of time distortion that was designed to make me as one of the Elohim (gods) or any other connection in my generational line to Chronos (god of time).

Would you please disconnect me from all ungodly heavenly places in the second heaven/dimensions and from all evil cosmic beings.

Lord, would You reconnect us to you, our Head and true source, and cut any ungodly connections that would cause any ungodly electrical impulses. Lord would you balance all electro-magnetic fields, whether powers or any other evil cosmic level being that would deceive, defile, corrupt and contaminate our spirit, soul and body.

Please complete our regeneration.

Would You cleanse and reconnect the DNA of our bloodlines and the Body of Christ and weld the fragments together with the fire and glory of God.

Would you give me discernment of my memories in my brain and in my cells. Please allow me to know if they are true or false, if they are past or present, ancestral or my own. Please give me your wisdom and direction to know what to do with your answer.

I declare that as all believers are called into the priesthood of the True Lord Jesus, I bear the iniquity of the sins of my ancestors against the sanctuary, when they allowed the removal of any Godly objects from the temple/sanctuary and the desecration that resulted; the lampstand, the showbread and the glory.

Oh Lord, the great and awesome God who keeps His covenant of love with all who love Him and obey His commands, we have sinned and done wrong. We have committed iniquity. We have done wickedly and rebelled and even by departing from Your precepts and judgments. Neither have we heeded your servants, the prophets who spoke in your name, to our king and to our princes, to our fathers and all of the people of the land.

I declare that You are the head and establisher of the true priestly line of Melchizedek.

I declare that You are the establisher of us as living stones who are being built into a spiritual house, a holy priesthood to offer spiritual sacrifices acceptable to You Father, through Jesus Christ.

I declare that I am part of a chosen people, a royal priesthood, a holy nation, a people belonging to God and that we will reign on earth with You.

Now therefore, our God, hear the prayer of Your servant and his supplications, and for the Lord's sake cause Your face to shine on Your sanctuary, which is desolate. My God, incline Your ear and hear. Open Your eyes and see our desolations and the city which is called by Your name for we do not present our supplications before You because of our righteous deeds, but because of Your great mercies. O Lord, hear! O Lord, forgive! O

Lord, listen and act! Do not delay for Your own sake, my God, for Your city and Your people are called by Your name.
