### **Breaking a Generational Dedication**

(Updated February 20, 2019)

In generational Satanist families, members of future generations are frequently sold, bargained, or dedicated to Satan. Survivors coming from this kind of heritage are advised to go through the renunciation processes for all three of these possibilities. They are all available on our website, [www.rcm-usa.org](http://www.rcm-usa.org):

- Breaking a Generational Bargain/Barter
- Breaking a Generational Dedication
- Restoring a Stolen Birthright

This renunciation is presented here in two formats. The first is a prayer that the person can pray. If the person is unable to read the prayer for any reason but is able to answer yes and no questions to indicate his or her will, then the second format gives a series of questions that can be asked and instructions for a prayer that someone else can pray for the person.

#### **Prayer Format:**

Most High God, I come before you in the name of the Lord Jesus Christ, my Savior, and I declare before You that I am willing to stand in the gap on behalf of my generational lines on my mother's and father's sides to acknowledge, renounce, and to confess on their behalf the iniquity of dedicating future lives to Lucifer, Satan, Moloch, or any other ungodly being of darkness or the underworld, as well as the iniquity of placing a seal of darkness over our lives.

I declare before You that I am willing to forgive my ancestors for these acts that have affected my life by putting the responsibility for bringing judgment and justice into Your hands. I also renounce and repent on behalf of every part of myself if I have committed these iniquities myself.

I ask You, Most High God, to put the blood of the Lord Jesus Christ between these grievous iniquities in my generational lines and myself and my generational line going forward, breaking them off of us completely. I ask that You place all curses that came into our lives because of these generational iniquities under the blood of the Lord Jesus Christ and that You remove every evil being from the lowest demonic level to the highest cosmic level; including connection to all fallen sons of God and their derivatives; all powers, forces, energies, lights, life forces, and mists, along with all Nephilim, Rephaim, animal, hybrid, elemental, and familial spirits; that gained access to our lives because of these generational iniquities and their curses. I ask You to pass judgment on them, to dispatch them to the destination of Your choice, to fill all evacuated places in us with Your true Holy Spirit, and to close and to seal with the blood of the Lord Jesus Christ all portals and orifices they used for access to us.

I also ask that if any generational blessings were blocked by these generational curses, You will allow them to flow freely into our lives.

Most High God, I declare before You that I personally reject any generational dedication of myself or my future generations to Lucifer, Satan, Moloch, or any other ungodly entity of darkness or of the underworld. I also declare to You that I reject any generational seal of darkness put over my life or the lives of my descendants by any such dedication or through any other means. I tell You with all of my heart that I fully accept the destiny that You designed and placed within me when You created me.

Therefore, in the name of the Lord Jesus Christ, I ask that You completely nullify with the blood of the Lord Jesus Christ any ancestral dedication of my life and my future generations to Lucifer, Satan,

Moloch, or any other evil or ungodly being of any kind and that You cancel out anything that was gained by my ancestors for doing this. I ask in the name of the Lord Jesus Christ that You also remove any generational seal of darkness put on my life and that of my descendants.

I ask, Most High God, in the name of the Lord Jesus Christ, that You declare through the power and authority of His shed blood that every evil or ungodly entity, power, or force of darkness as well as any Nephilim, Raphaim, animal, elemental, or familial spirits that gained access to any part of my being at any point in my life because of this generational dedication and/or seal be permanently removed from me. Send them to the destinations of Your choosing. Fill all evacuated places with Your true Holy Spirit, close all portals and orifices used by these entities to access me or my descendants, and seal them with the blood of the Lord Jesus Christ.

Most High God, I declare before You that I reject all familial spirits assigned to superintend the generational dedication of my life and future generations to any evil being. I ask that You break any triads formed between myself, the ancestor making the original dedication, and the spiritual being to whom the dedication was made. Please also break any and all triads formed with anyone in my generational line going forward. Dispatch the entities involved to the places of Your choosing.

I also ask You in the name of the Lord Jesus Christ that You break all ungodly relationship bonds between myself and:

- The people and entities that were involved in the dedication ritual;
- All sacrifices made and all babies conceived in rituals to empower the dedication;
- All familial spirits and entities assigned to oversee the dedication;
- All familial spirits and entities in the triads to which I was connected or anyone in my generational line was connected;
- All people and entities with whom any of these were in ungodly relationship bonds.

I ask You to remove every evil demonic, cosmic, or ungodly entity as well as all powers, forces, energies, lights, life forces, mists, manipulated life forms or structures, robotic or mechanical creatures or anything else that gained access to my life through these ungodly bonds.

I ask that You remove any part of their souls, spirits, or life forces that intermingled with mine and that You return to me, cleansed by the blood of Jesus Christ, any part of my soul, spirit, or life force that intermingled with theirs, and when these exchanges are complete, that You would sever the spiritual conduits between us, close them, and seal them with the blood of the Lord Jesus Christ.

Also, Most High God, I ask that You would release from captivity, cleanse with the blood of Jesus Christ, and return to a safe place in me any dissociated parts of me that were taken into captivity in spiritual dimensions, vortexes, or black holes because of this dedication, which is now broken. When they have been returned, Most High God, I ask that You would close off to me the entrances to the dimensions in which they were held captive.

I also ask, Most High God, that You will remove and/or reverse all effects and further developments that this dedication had on me throughout my entire life.

I also ask that You will nullify with the blood of the Lord Jesus Christ all curses set to be released upon me or my generational line for breaking this dedication.

Please seal this work and proclaim in Your heavenly court that there is to be no retribution or retaliation whatsoever because of the actions taken.
