## A Survivor's Workbook Applying the Primary Identity Approach for the Healing of DID

*3rd Edition, Revised*

We believe that this is one of our most valuable resources in bringing healing to those with DID. It guides survivors through the Primary Identity Approach in step-by-step exercises to understand their systems and then to identify and resolve the intolerable psychological conflicts that keep their dissociation in place.

This workbook is taught by Diane Hawkins in our **Survivors' School of Healing**, which is offered online four times a year. The school is open to survivors, counselors, and support people.

An **Advanced Survivors' School of Healing** is also offered in two parts:

- Part A: In a group setting Diane gives individual help to survivors where they are stuck applying the Primary Identity Approach.
- Part B: Diane teaches the basic dynamics needed to understand the path to victory over ritual abuse.

## The Primary Identity Approach *Simplified*

This DVD presents an abbreviated version of the Primary Identity Approach, which includes only the most important parts. It may help counselors and survivors be able to understand, remember, and apply it more readily.

Diane Hawkins (1 DVD) - \$8.50

## The Primary Identity Approach *Demonstrated*

Diane conducts a live ministry session in which she talks to a survivor about her primary identities, takes an inventory of possible intolerable conflicts causing dissociation in her life, and then focuses in on resolving one of them, using the steps outlined in the Primary Identity Approach.

For ritual abuse survivors and others in major spiritual bondage, one must be able to address more than just demons. Higher-level cosmic beings need to be handled differently as well as those with a human component, such as Nephilim, Rephaim, and familial spirits. This CD set looks at all of these and how to deal with them effectively.

## Cosmic Hierarchy A New Understanding of the Angelic Realm by Tom Hawkins

In ministering to individuals held in bondage by the kingdom of darkness, Dr. Hawkins was awakened to the need to distinguish higher-level angelic entities (which he calls "cosmic beings") from demons. This led him to make an extensive re-examination of the biblical data on this subject, which he shares in this teaching series.

## Cosmic Hierarchy Manual

These are Tom's original, 82-pg Bible study notes accompanying his initial (2007) Cosmic Hierarchy CD set. He passed away two months after recording the updated DVDs and CDs and was unable to update the study notes.
