Cosmic Hierarchy

A New Understanding of the Angelic Realm

by Tom Hawkins

In ministering to individuals held in bondage by the kingdom of darkness, Dr. Hawkins was awakened to the need to distinguish higher-level angelic entities (which he calls "cosmic beings") from demons. This led him to make an extensive re-examination of the biblical data on this subject, which he shares in this teaching series.

(3-DVDs) \$50

(6-CDs) \$35

Cosmic Hierarchy Manual

These are Tom's original, 82-pg Bible study notes accompanying his initial (2007) Cosmic Hierarchy CD set. He passed away two months after recording the updated DVDs and CDs and was unable to update the study notes.

(84-Pg book) - \$20

Multiple Identities

Understanding and Supporting the Severely Abused

3rd Edition - 2009

Previously published as *Supporting Ritual Abuse Survivors*, this updated and expanded edition is designed to bring understanding and support to survivors of severe childhood abuse, especially those who suffer from Dissociative Identity Disorder (DID) as a result of sexual or ritual abuse.

Covering a wide range of topics, including trust, dissociation, memory, conflict, emotions, self-harm, and spiritual warfare, the book concludes with three appendices providing a glossary of terms, a list of types of alter-identities, and a Satanic calendar.

Diane Hawkins
(232-Pg book) - \$25

How Protected Are You?

This booklet is a separately printed version of Chapter 13 of *Multiple Identities*. It is an extensive Biblical study of the character traits represented by the various pieces of the spiritual armor described in Ephesians 6:11-17, which are critically important to be developed in order to provide protection in spiritual warfare.

(43-Pgs) - \$6

Beyond Normal Spiritual Warfare

For ritual abuse survivors and others in major spiritual bondage, one must be able to address more than just demons. Higher-level cosmic beings need to be handled differently as well as those with a human component, such as Nephilim, Rephaim, and familial spirits. This CD set looks at all of these and how to deal with them effectively.

Diane Hawkins
(2 CDs) - \$10

God's Revelation in Scripture & Ministry

Diane traces how God has revealed Himself and His messages to mankind throughout Scripture. She then articulates the provision He has made for New Testament believers to receive revelation today through the Holy Spirit, which serves a valuable role in ministering to trauma survivors.

Diane Hawkins
(2 CDs) - \$10

The Primary Identity Approach Simplified

This DVD presents an abbreviated version of the Primary Identity Approach, which is helping many counselors and survivors be able to understand, remember, and apply it more readily.

Diane Hawkins
(1 DVD) - \$17

The Primary Identity Approach Demonstrated

Diane conducts a live ministry session in which she talks to a survivor about her primary identities, takes an inventory of possible intolerable conflicts causing dissociation in her life, and then focuses in on resolving one of them, using the steps outlined in the Primary Identity Approach.

Shame: Identity Thief is a well-written, easy-to-read, practical book. It is probably fair to say that no descendant of Adam has been able to avoid at least partially basing his identity on shame. We live in a shame-based culture. Dr. Malone has provided encouragement and help to recognize and face the issue head on. This book will help you reduce the load of shame you carry that negatively
