RCM DID Training Program (RDT) Overview

(expanded from the original Tom Hawkins Memorial Internship)

This program now offers five weeks of training to qualified counselors and prayer ministers, divided into three levels and providing the option for both audit and certification at the first two levels. See details below.

Note: In this document “counselors” includes both professional counselors and prayer ministers.

Level I: Non-Ritual Abuse

- **Prerequisite Online Training**
 - **PIA Webinar 1: Dynamics of DID**
 - **Survivors’ School of Healing**
 - **Webinar: Spiritual Warfare I**
 - **Webinar: Spiritual Warfare II**
- **RDT Week 1: Primary Identity Approach**
- **RDT Week 2: Prenatal Healing I**

Level II: Ritual Abuse

- **RDT Week 3: Ritual Abuse I and Advanced Spiritual Warfare RDT Week 4: Ritual Abuse II and Prenatal Healing II**

Level III: Graduate Mentoring and Supervision

- **Week 5: Supervised Training**

Who Is Eligible?

Level I is open to anyone who is actively counseling trauma survivors as a professional or a prayer minister. Application and references are required.

Level II is open to any counselors or prayer ministers who are actively working with ritual abuse survivors and have attended Level I. Week 4 requires that you have been counseling ritual abuse survivors for at least 6 months. Application and references are required. Evaluation will be more stringent for Level II.

Level III is only open to those counselors who have passed all the requirements for certification at Levels I and II.

Two Options for Attendance

1. **Certification:** Eligible counselors desiring certification must pass the exams and practicums for each week as well as complete all prerequisites and exams. Repeat exams or practicums will be allowed at additional cost.
2. **Audit:** Eligible counselors may attend the training weeks without taking the exams or doing the practicums. Modified prerequisites will apply and attendees taking this option will only receive a certificate of attendance.

Benefits of Certification

1. You will have this credential to validate your DID ministry.
2. You will undoubtedly get a better grasp of the material by doing the exams and practicums.

3. You will qualify for Level III, which will give you further opportunities for observation of Diane's ministry sessions and receiving guidance and ministry to one of your clients in a Week 5 session.

Special Benefits for Interns at All Levels

These benefits apply to anyone who has attended either our previous Tom Hawkins Memorial Internship or the newer RDT internship program.

- Special Q & A and update webinars
- Discounted rates for re-attendance at any week
- Updates on advanced-level renunciations for those who have attended any ritual abuse weeks

Special Note to Alumni of the Tom Hawkins Memorial Internship Program

We trust that you gained benefit from the internship weeks that you attended in our previous internship program. We have realized, however, that having only two weeks to cover all the material needed to become proficient in utilizing the Primary Identity Approach and the RCM Prenatal Healing Process and in addressing the many ritual abuse dynamics required to bring healing to DID/RA survivors was greatly insufficient. This is why we have expanded the program.

We urge you to consider attending the complete 4 weeks of the expanded RDT training, as we will cover more material (see subject matter lists below), have more focused demonstrations, and, if you are a certification candidate, offer the opportunity for you to participate in supervised practicums, demonstrating your ability to apply the principles learned. Plus you will earn the right to participate in the Level III program.

If you would like to join this program as an auditor, you are free to do so for Weeks 1, 2, or 3. However, attendance of Week 3 is required before being accepted into Week 4. You will also be required to do the prerequisites for each week you desire to audit.

Advanced Placement Option

If you desire to earn certification through the RDT program and feel that you have adequately learned the Primary Identity Approach and basic Prenatal Healing Process, we will allow you to skip Weeks 1 and/or 2 if you can pass the exams and practicums of these weeks. Pricing for these exams and practicums is listed in the cost section for these weeks. Practicums can be arranged by request and done either in-person or online. Failure to pass the exams or practicums will require retaking them at additional cost or attending the actual event.

- The RDT Week 1 exam comes from *Restoring the Shattered* Training Series Module 3.
- The RDT Week 2 exam comes from the "Prenatal Healing Process" chapter in Module 4 of the *Restoring the Shattered* Training Series.

Reduced Rates for Alumni

Alumni will also be allowed to attend RDT weeks at a reduced rate.

- If you have attended a Basic Week of the Tom Hawkins Memorial Internship Program, you may attend RDT Weeks 1 and 2 at the discounted alumni rate.
- If you have attended an Advanced Week of the Tom Hawkins Memorial Internship Program, you may apply to attend RDT Week 3 at the discounted alumni rate.
