# RCM DID Training Program (RDT) Overview

This program now offers three levels of training to qualified counselors and prayer ministers with an option to take the course for either audit or certification at the first two levels. Only certified grads of Levels I and II are eligible for Level III. See details below.

Note: In this document “counselors” includes both professional counselors and prayer ministers.

## **Three Levels of Training**

### **Level I: Non-Ritual Abuse**

- **Unit 1: Preliminary Issues**
- **Unit 2: Primary Identity Approach**
- **Unit 3: Prenatal Healing I**

### **Level II: Ritual Abuse**

- **Unit 4: Spiritual Realm and Control Dynamics**
- **Unit 5: Healing the Human Dynamics of Ritual Abuse**
- **Unit 6: Healing Control and Spiritual Dynamics**
- **Unit 7: Lucifer’s Kingdom**
- **Unit 8: Renunciation Writing**
- **Unit 9: Ritual Abuse Prenatal Healing**

### **Level III: Graduate Mentoring and Supervision**

(Available only for Certified Grads of both Levels I and II)

## **Eligibility**

**Level I** is open to anyone who is actively counseling trauma survivors either as a professional or a prayer minister. Application and references are required.

**Level II** is open to any counselors who are actively working with ritual abuse survivors and have attended Level I. Units 7-9 require that you have been counseling ritual abuse survivors for at least 6 months. Application and references are required. Evaluation will be more stringent for Level II.

**Level III** is only open to those counselors who have passed all the requirements for certification at both Levels I and II.

## **Two Options for Attendance**

**Certification:** Eligible counselors desiring certification must complete all prerequisites, pass all prerequisite exams, complete all training segments, and pass the exams and practicums involved in these. Repeat exams or practicums will be allowed at additional cost.

### **Benefits of Certification**

1. You will have this credential to validate your DID and ritual abuse ministry.
2. You will undoubtedly get a better grasp of the material and how to use it by doing the exams and practicums.
3. You will qualify for Level III, which will give you further opportunities for observation of Diane’s ministry sessions through the year and for receiving guidance and ministry to one of your clients once or twice a year in Unit 10.

**Audit:** Eligible counselors may attend the training units without taking the exams or doing the practicums. Slightly modified prerequisites will apply, and attendees taking this option will only receive a certificate of attendance.

## **Special Benefits for Interns at All Levels**

These benefits apply to anyone who has attended either our previous Tom Hawkins Memorial Internship or the newer RDT internship program.

- Special Q & A and update webinars
- Discounted rates for re-attendance at any unit
- Updates on advanced-level renunciations for those who have attended any ritual abuse weeks/units

## **Special Note to Alumni of the Tom Hawkins Memorial Internship Program**

We trust that you benefited from the internship weeks that you attended in our previous internship program. We have realized, however, that having only two weeks to cover all the material needed to become proficient in utilizing the Primary Identity Approach and the RCM Prenatal Healing Process as well as to address the many ritual abuse dynamics required to bring healing to DID/RA survivors was greatly insufficient. This is why we have expanded the program.

We urge you to consider attending the complete nine units of the expanded RDT training, as we will cover more material (see unit components below), have more focused demonstrations, and, if you are a certification candidate, offer the opportunity for you to participate in supervised practicums, demonstrating your ability to apply the principles learned. Furthermore, you will become eligible to attend Level III, which gives you the opportunity for observation of Diane's ministry sessions through the year and for receiving guidance and ministry to one of your clients once or twice a year in Unit 10.

If you would like to join this program as an auditor, you are free to do so for as many of Units 1-6 as you desire as long as you do the required prerequisites for each unit you choose to attend. You must attend Units 4-6, however, in order to be eligible to attend Units 7-9.

### **Advanced Placement Option**

If you desire to earn certification through the RDT program and feel that you have adequately learned the subject matter included in the Level I units, we will allow you to skip them if you can pass the exams and practicums of these units. These can be requested from RCM at any time. Pricing for these exams and practicums is listed in the cost section for each unit. Failure to pass the exams or practicums will require retaking them at additional cost or attending the actual unit.

Please note that the Unit 1 & 2 exams contain updated teachings from when you attended the Tom Hawkins Memorial Internship program. If you are interested in taking these exams, we can advise you of where to find the new information. Otherwise, the exam material can be found in Modules 1-3 of the *Restoring the Shattered* Training Manual.

### **Reduced Rates for Alumni**

Tom Hawkins Memorial Internship Alumni may audit RDT Units 1-6 at a reduced rate, as follows:

- If you have attended a Basic Week of the Tom Hawkins Memorial Internship Program, you may attend RDT Units 1-3 at the discounted alumni rate.
- If you have attended an Advanced Week of the Tom Hawkins Memorial Internship Program, you may attend RDT Units 4-6 at the discounted alumni rate.

## Level One: Non-Ritual Abuse

In 2022 we are beginning the transition process of offering major portions of the RDT training through online recorded videos, which you can watch on your own time during a specified time period. Each unit will also have live, online days for doing additional teaching, Q & A, exams, and practicums. The training videos will be taught by Diane Hawkins. The live, online days for the Level I units will be facilitated by Dr. Petra Rose, Diane's assistant.

The live, online days will be conducted through Zoom. You will need a high-speed internet connection and a microphone headset to plug into your online computer or device with a clear connection to [zoom.us](https://zoom.us). You may test to see if your device is working properly at [zoom.us/test](https://zoom.us/test). You will receive notes for each unit as downloadable pdfs with cover and spine inserts if you desire to print them and put them in a ring-binder.
