

# 2022 RCM DID Training Program Overview

## Three Levels of Training

### **Level I: Non-Ritual Abuse**

- **Unit 1: Preliminary Issues**
- **Unit 2: Primary Identity Approach**
- **Unit 3: Prenatal Healing I**

**Level II: Ritual Abuse** (will be covered in a subsequent document)

**Level III: Graduate Mentoring and Supervision** (will be covered in a subsequent document)

## Two Options for Attendance

**Certification:** Eligible counselors desiring certification must complete all prerequisites, pass all prerequisite exams, complete all training segments, and pass the exams and practicums involved in these. Repeat exams or practicums will be allowed at additional cost.

**Audit:** Eligible counselors may attend the training units without taking the exams or doing the practicums. Slightly modified prerequisites will apply, and attendees taking this option will only receive a certificate of attendance.

### **Benefits of Certification**

1. You will have this credential to validate your DID and ritual abuse ministry.
2. You will undoubtedly get a better grasp of the material and how to use it by doing the exams and practicums.
3. You will qualify for Level III, which will give you further opportunities for observation of Diane's ministry sessions through the year and for receiving guidance and ministry to one of your clients once or twice a year in the Level III units.
