RCM DID Training Program (RDT) Overview

This program offers three levels of training to qualified counselors and prayer ministers with an option to take the course for either audit or certification at the first two levels. Only certified grads of Levels I and II are eligible for Level III. See details below.

Note: In this document “counselors” includes both professional counselors and prayer ministers.

Three Levels of Training

Level I: Non-Ritual Abuse

- **Unit 1: Preliminary Issues**
- **Unit 2: Primary Identity Approach**
- **Unit 3: Prenatal Healing I: Non-Ritual Abuse**

Level II: Ritual Abuse

- **Unit 4: The Human Dynamics of Ritual Abuse**
- **Unit 5: The Control Dynamics of Ritual Abuse**
- **Unit 6: The Spiritual Dynamics of Ritual Abuse**
- **Unit 7: Lucifer’s Kingdom**
- **Unit 8: Renunciation Writing**
- **Unit 9: Prenatal Healing II: Ritual Abuse**

Level III: Graduate Mentoring and Advanced Training

(Available only for Certified Grads of Level II)

- **Unit 10: Therapeutic Updates and Advanced Ministry Interventions**

Eligibility

Level I is open to anyone who is actively counseling trauma survivors either as a professional or a prayer minister. Application and references are required.

Level II is open to any counselors who are actively working with ritual abuse survivors and have attended Level I. Units 7-9 require that you have been counseling ritual abuse survivors for at least 6 months. Application and references are required. Evaluation will be more stringent for Level II.

Level III is only open to those counselors who have passed all the requirements for certification at both Levels I and II.

Two Options for Attendance

Certification:

Eligible counselors desiring certification must attend the full program on all live, online days, complete all prerequisites, pass all prerequisite exams, complete all training segments, and pass the exams and practicums involved in them. Repeat exams or practicums will be allowed at additional cost. Attendees taking this option will receive a certificate verifying their completion of all requirements of the course.

Benefits of Certification

1. You will have this credential to validate your DID and ritual abuse ministry.
2. You will undoubtedly get a better grasp of the material and how to use it by doing the exams and practicums.

3. You will qualify for Level III, which will give you further opportunities for observation of Diane's ministry sessions through the year and for receiving guidance and ministry to one of your clients once or twice a year in Unit 10.

Audit:

Eligible counselors may attend the training units without taking the exams or doing the practicums. Slightly modified prerequisites will apply without exams. Attendees taking this option will only receive a certificate of attendance.

Special Benefits for All Interns

These benefits apply to anyone who has attended either our previous Tom Hawkins Memorial Internship or the newer RDT program.

- Special Q & A and Update webinars
- Discounted rates for re-attendance at any unit
- Updates on advanced-level renunciations for those who have attended any ritual abuse weeks/units

Special Note to Alumni of the Tom Hawkins Memorial Internship Program

We trust that you benefited from the internship weeks that you attended in our previous internship program. We have realized, however, that having only two weeks to cover all the material needed to become proficient in utilizing the Primary Identity Approach and the RCM Prenatal Healing Process as well as to address the many ritual abuse dynamics required to bring healing to DID/RA survivors was greatly insufficient. We also continue to learn new insights every year, which we incorporate into our trainings. This is why we have expanded the program.

We urge you to consider attending the complete nine units of the expanded RDT training, as we will cover more material (see unit components below), have more focused demonstrations, and, if you are a certification candidate, offer the opportunity for you to participate in supervised practicums, demonstrating your ability to apply the principles learned. Furthermore, you will become eligible to attend Level III, which gives you the opportunity for observation of Diane's ministry sessions through the year and for receiving guidance and ministry to one of your clients once or twice a year in Unit 10.

If you would like to join this program as an auditor, you are free to do so for as many of Units 1-6 as you desire as long as you do the required prerequisites for each unit you choose to attend. You must attend Units 4-6, however, in order to be eligible to attend Units 7-9. If you desire to earn certification through the RDT program, you need to take all 9 units and pass the requirements in each of them.

Reduced Rates for Alumni

Tom Hawkins Memorial Internship Alumni may audit RDT Units 1-6 at a reduced rate, as follows:

- If you have attended a Basic Week of the Tom Hawkins Memorial Internship Program, you may attend RDT Units 1-3 at the discounted alumni rate.
- If you have attended an Advanced Week of the Tom Hawkins Memorial Internship Program, you may attend RDT Units 4-6 at the discounted alumni rate.

Level One: Non-Ritual Abuse

In 2022, we began the transition process of offering major portions of the RDT training through online recorded videos, which you can watch on your own time during a specified time period. Each unit will also have live, online days for doing additional teaching, Q & A, exams, and practicums. The training videos will be taught by Diane Hawkins. The live, online days for the Level I units will be facilitated by Dr. Petra Rose, Diane's assistant.

The live, online days will be conducted through Zoom. You will need a high-speed internet connection and a microphone headset to plug into your online computer or device with a clear connection to zoom.us. You may test to see if your device is working properly at zoom.us/test.

You will receive notes for each unit as downloadable pdfs with cover and spine inserts if you desire to print them and put them in a ring-binder.

Eligibility

- Anyone with past or current experience counseling trauma survivors
- Application with references required for acceptance into the program

In addition to requiring references for attendance, we reserve the right to refund the money and ask anyone to leave whom we discern is not ready for the material being presented or is disruptive or perceived as a threat to others.

Prerequisites

Upon acceptance into the program, you will receive Prerequisite Worksheets for each unit, which you must complete, sign, and submit before each unit begins.
